

Guest Application Form

Sanctuary Hosting is a scheme that matches hosts (people with a spare room that they provide rent-free on a temporary basis) with guests (sanctuary seekers who are homeless, or about to be, and have come from another country).

By filling in this form you are saying you want to be a guest. There are notes and explanations in green (like this!) to help you fill it in. If you don't speak or write English very well, please try to ask someone to help you fill out the form.

We are sorry to be asking you lots of questions as we know you have probably already been asked them by many other people but we are doing it because we want to help if we can. It really helps if you are completely honest with your answers.

To be considered as a possible guest you (and any others you are applying with) need to be:

- Either homeless or about to be homeless.
- From another country and with a strong reason for not wanting to go back to your country. This should not be an economic reason.
- 18 or over (we don't house children).
- Without an alcohol or drug problem.
- Without a history of being violent.
- Without a serious mental health condition (if that makes it hard for others to live with you).
- Willing to accept any reasonable accommodation that is offered to you, including Home Office accommodation.
- Able to provide Safety Plan / DASH for survivors of Domestic Abuse before a referral can proceed.

Please confirm that you satisfy all those conditions. YES NO

If 'Yes', please continue to complete this form.

If you have selected 'No' then unfortunately you don't meet our criteria and there is no point in applying to us, though we wish you well.

If you are making this referral on behalf of someone else, please give your name and organisation (if relevant)
