

## Role description: Volunteer guest support worker

### About Sanctuary Hosting

Sanctuary Hosting is a hosting scheme that provides temporary accommodation for refugees, asylum seekers, and vulnerable migrants at risk of homelessness across the Thames Valley by matching them with volunteer hosts who offer a free bed and a warm welcome. This gives guests a chance to tackle the causes of their homelessness. All of our hosts and guests are in turn supported by a team of dedicated volunteers.

### About the Guest Support Worker role

Volunteer guest support workers provide practical support to individuals - 'guests' - who are accommodated within the hosting scheme, serving as a main contact.

During the placement, the support worker makes regular contact with the guest, reviews with them how things are going and provides feedback to Sanctuary Hosting.

Guest support workers often get involved in very practical ways - for example, helping the guest to register with a GP, join the library, or find English lessons.

### What we are looking for

You need to be:

- an excellent communicator with good listening skills and a high level of spoken and written English;
- personally resilient and able to work appropriately with vulnerable people in difficult or challenging situations, both face-to-face, over the telephone and online via email, WhatsApp or Zoom;
- able to use emotional support skills in a calm and responsible manner;
- aware of conflict and migration issues, and empathetic about the situation and needs of refugees, asylum seekers and vulnerable migrants;
- sensitive to cultural issues, including those relating to gender;
- able to involve the guest in decision-making, acting in their best interests at all times;
- willing to adhere to Sanctuary Hosting's policies and procedures;
- able to uphold confidentiality.

<b>Role</b>	<b>Volunteer Guest Support Worker</b>
